Scout Programs

FOSTERING AN AWARENESS AND
APPRECIATION OF THE NATURAL WORLD
THROUGH PRESERVATION, RESTORATION, AND
EDUCATION

Girl Scouts

PROJECT LEARNING TREE

We are trained in Project Learning Tree, which offers a variety of high quality lessons directly correlated to Girl Scout badges and journeys.

JOURNEYS

We have many resources to support the STEM and Outdoors journeys.

BADGE DAYS

We are happy to put together a Badge Day for several troops at a time, creating a memorable special event for Scouts from all over to come together, learn, and achieve.

All Scouts Welcome

Are you part of an alternate scouting group such as Navigators USA? Great! Let us know what you're working on and we would be happy to craft an experience that will work for your group.

Boy Scouts

SKILLS

Whether your group is learning to build a fire, identify trees, or practice Leave No Trace, we can help you along the way.

BADGES

Cub Scout to Eagle, we can create meaningful outdoor experiences for each age and badge.

AND BEYOND

Looking for a meaningful Eagle Scout project? Look no further! TNI has partnered with numerous Eagle Scouts over the years, and we are always interested in supporting the next generation of community leaders.
