

## Confidentiality Statement

As a volunteer for The Nature Institute, I acknowledge that I may have access to confidential and privileged information and materials obtained through my affiliation with The Nature Institute. I shall not share any such information or materials with anyone within or outside the organization not intended to receive them. This includes, but is not limited to, the following:

Specific location of preserves with restricted visitation, which might lead to unauthorized visits;

Specific location of rare plants or animals, which might lead to unauthorized collecting;

Nature Institute financial, membership, or donor information in files, databases or mailings;

Information about Registered Landowners in files or Site Information Packets, or learned from calls or visits made through the Registry Partnership Program.
