

Discovery Day Camp Camp Counselor 2022 Job Description

Application Deadline: March 11th, 2022

Camp Dates: June 6 - August 5 (No camp for the week of 7/4 - 7/8). **Mandatory** pre-camp training takes place 5/31 - 6/3. Counselors must be available for all camp dates in order to be eligible for hire.

The Nature Institute is a private non-profit conservation organization that fosters an awareness and appreciation for the natural world through preservation, restoration, and education. The Nature Institute manages nearly 500 acres along the Mississippi River bluffs in Godfrey, IL. This property includes a variety of natural communities protecting a diverse population of plants and animals. In 1982, The Nature Institute held its first Discovery Day Camp at the Olin Nature Preserve in the historic Talahi Lodge. Each year the camp has successfully grown and it remains the only nature camp of its kind in the St. Louis metropolitan area. Open from June through August, the camp is offered to ages 4 - 14. The camp is open to children of all backgrounds.

Summer Day Camp Counselor Position:

The Nature Institute is looking for fun, energetic camp counselors for the summer of 2022. Counselors will interact daily with campers, lead hikes, crafts, and ecological programs. This position is Monday through Friday from 8 am - 4 pm.

Qualifications:

- Persons age 16 and older.
- Applicants must be certified in CPR and First Aid. (Training Provided)
- Applicants must possess enthusiasm, patience, desire, and leadership skills.
- Be self-motivating and be able to work as a team to supervise and guide campers and volunteers.
- Applicants will be required to work outside in all types of weather conditions and be on feet for long periods of time.
- Applicants must attend mandatory camp staff training prior to working with campers.
- Have your own transportation.
- Applicant selection will favor those who are available for 8 weeks of camp and be available Monday through Friday 8-4.
- Applicants must undergo a standard background check.
- The Nature Institute is an Equal Opportunity Employer.

Experience:

Teaching experience, in any capacity, preferred but not required. Volunteer work with children is highly desirable. Background knowledge of natural resources, environmental education, or biology is helpful.

General and specific responsibilities:

Summer Day Camp Counselors are responsible for co-teaching a group of approximately 10 - 16 students with prepared lessons every day, with some shared supervision of students between and after lessons, plus some general maintenance. TNI emphasizes dynamic teaching methods, such as the use of ecological skits, effective props, and hands-on activities. Although lesson plans are provided, naturalists are encouraged to be creative and to develop additional lessons and activities. Must be able to instruct and implement an established creative nature/outdoor exploration program for children ages 4-14.

Duties will include:

- Supervision and safety of campers
- Daily chores
- Carrying out daily programming and planning
- Managing children's behavior
- Serving as positive role model
- Making sure everyone has FUN!

Growth and Development:

Counselors will report to and be evaluated by the Camp Director and Assistant Camp Director.
